President's Message

Our club annual picnic took place on Sunday 28th August 2022. Great weather, and membership turn out were the highlights. Burgers, hot dogs and of course hot corn on the cob were enjoyed by our regular membership and their invited friends. See the picture story on this newsletter.

The club has shifted into hi gear as we prepare for the annual Hamilton ARC hamfest happening 1st Oct 2022 at the Ancaster Agricultural Fairgrounds. Barry VE3ISX has been busy on the phone and email booking vendors and talking to volunteers. Yes, the event can operate but we still need parking, security and general help with admissions.

The Hamfest info is front and centre on the website plus Radio Amateurs of Canada Events calendar. A great price for a table including admission for the vendor....\$10! Public admission just \$5.00. Icom Canada courtesy of Rose VA3RZZ will be displaying the latest ICOM transceivers and there will be on offer a current transceiver as a super prize for our draw.

Our next event will be the club "in person" General Meeting at the new location at St. Paul's United Church, 42 Tragina Ave. North in Hamilton's East End. 22nd September 2022 at 7pm. Be there with your mask if necessary. Covid protocols will be in place.
