President's Message

Due to the current Covid-19 climate and government restrictions, in person meetings will remain on hold as of this writing.

I won't say things have changed but the severity of this new variant will present challenges in all forms of Education, travel and the retail market place. Just when there seemed to be "light at the end of the tunnel".

Your club repeaters VHF and UHF are up and fully operational, so take advantage of this club benefit. IRLP and phone patch access still remain in place. Membership is up to 37 members as of this writing. Included in this newsletter is a list of current membership.

Happy New Year to all...73 and 88
Murray VE3ZPV President

Apr 20, 2022 07:00 PM
May 18, 2022 07:00 PM
Jun 15, 2022 07:00 PM

VE3DC contesting 2022:

We will be running a distributed station again this year, meaning that I coordinate from my place to make sure we are on different bands or different modes (to be legal) and all of us will be using the Club Call of VE3DC. You are more than welcome to give "Contesting" a try. If you can't operate a your station with us as VE3DC, you could always work one of us from home, to give us more points for our log.

I will publish more details as we move forward into 2022.

The whole idea is to have fun on the air. We are not out to win anything, just have fun on the radio.

So have fun, and send me your logs at [ve3bk@hamiltonarc.com/](mailto:ve3bk@hamiltonarc.com)

 **VE3QEE CW part 1**

Mardy tells all on how he rediscovered CW and the SKCC website group.
