President's Message

On behalf of the Club Executive I want to wish you and your families the best of the Christmas season.

I take pleasure in announcing the appointment of John David VA3JHD as our 2nd Vice President to work with our executive team.

The new executive hosted our traditional Christmas Dinner at the Royal Hamilton Yacht Club Sunday 4th December 2022. We had a record number of members enjoying a beautiful turkey dinner with all the trimmings.

Thanks to Barry VE3ISX, everyone walked away with a door prize. Santa Claus surprised all the ladies with a special gift for each of them. Please take a minute to view the picture story of everyone in attendance.

The club enjoyed record attendance at our new meeting place at the St. Paul's United Church on 24th November 2022. A number of members renewed with Rick VE3BK and booked their tickets for the Christmas dinner.

Lastly, I wish each and everyone a very Happy New Year for 2023 with much health and happiness.

CONTEST NEWS 2022

Don't forget the RAC Winter Contest. It is a 24 hour contest that starts at 0:00 UTC to 23:59 UTC December 17, 2022. That means that because of the time difference with the 5 hour difference now for the Winter months, this actually means that we start at 7 pm local time on Friday, December 16 and go till 6:59 local time on Saturday, December 17, 2022.

This is another one of those fun contests where you get to see what the weather is like in British Columbia and Newfoundland as well as wish your fellow Canadians "Merry Christmas and Happy New Year" (or Happy Holidays if you prefer), a great contest. So let me know if you can operate a station from at home. We will be running a distributed station again this year, meaning that I coordinate from my place to make sure we are on different bands or different modes (to be legal) and all of us will be using the Club Call of VE3DC. You are more than welcome to give "Contesting" a try. If you can't operate a your station with us as VE3DC, you could always work one of us from home, to give us more points for our log.

We will be using the Club Callsign VE3DC, from each of our homes as a distributed station. Also for this contest, all Canadians are worth 10 points, RAC stations 20 points, so lets see if we can finish 2022 off with a bang and make this another good one for VE3DC. Hope to see you all contesting. My email

is ve3bk@hamiltonarc.com
